

AMERICAN AVIATION LTD.

אמריקן אויאיישן בע"מ

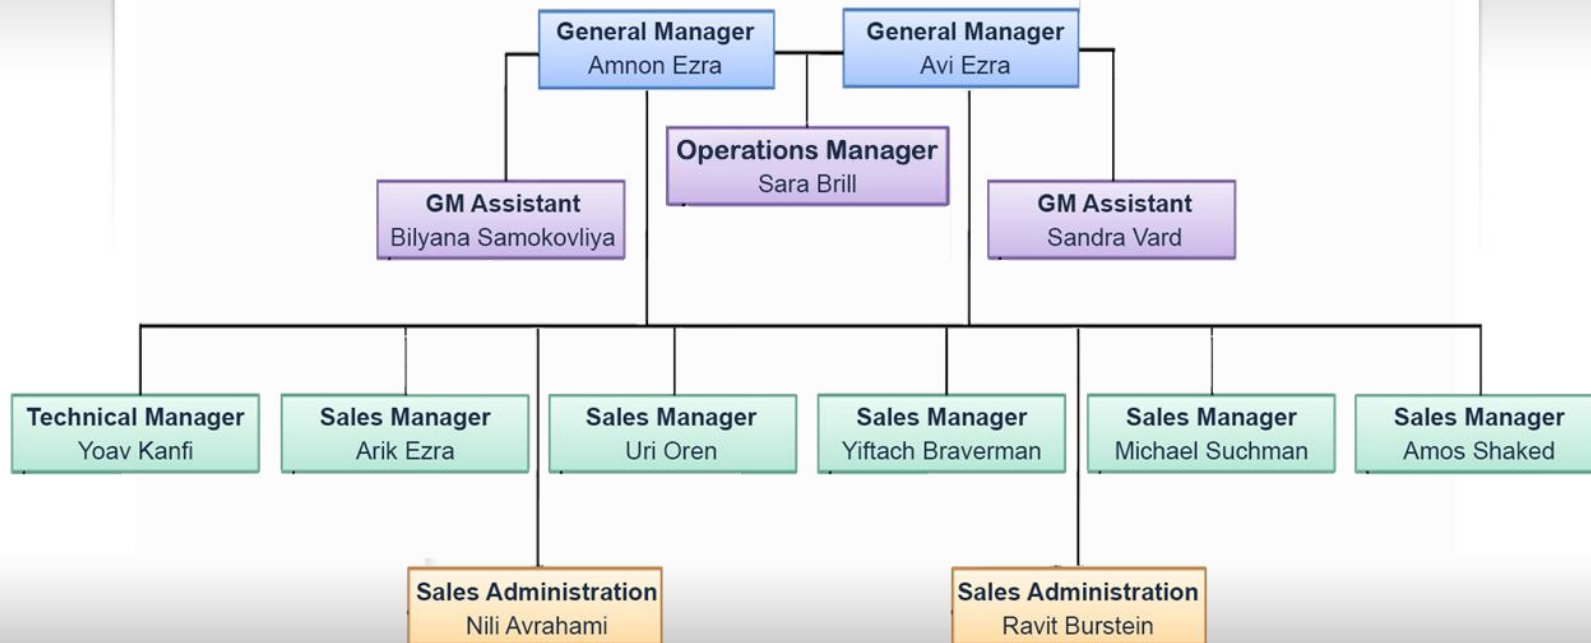

## Company Profile

- **American Aviation was established in 1973, and is owned today by Mr. Amnon Ezra and Mr. Avi Ezra.**
- **American Aviation's main activity is representation of original equipment/systems manufacturers (OEM) and Service Providers in Israel**
- **The company employs 13 people, out of them 6 are dedicated to technical sales.**
- **In 1979 we formed a business partnership with CTI France, who specialize in international marketing and sales in France, which allows us to leverage our sales capabilities.**

## American Aviation Organization Chart

## Company Missions

- **To give our suppliers an in-depth understanding of the Israeli market.**
- **To be involved, together with our suppliers, in every potential project in both civil and military markets.**
- **To support our suppliers by providing our customers with an uncompromised service by listening to their needs from the outset of a program, escorting them throughout all the development & production stages, and after sales support.**

## Company Strengths

- **Our many years of involvement in the Israeli market created liaisons with key personnel within the industry.**
- **Having a team of employees enables us to personally follow all projects to our costumers convenience.**
- **Our diverse professional team is capable of performing an in-depth analysis of potential business and following a project until its completion.**
- **Our multi-disciplinary list of vendors enables us to be involved in nearly every major aspect of the local industry.**

## Main Customers

### Aviation & Defence

- **Israeli Aerospace Industries (IAI) and its divisions**
- **ELBIT**
- **Israeli MOD**
- **El-Op**
- **TADIRAN**
- **EL-AL**
- **OPGAL**
- **TAMAM/MBT**
- **CONTROP**
- **ELTA**
- **RAFAEL**
- **ITL**
- **ELISRA**
- **AERONAUTICS**
- **IMI**
- **CYCLONE**
- **BEDEK**

## Main Customers

### Other

- **Applied Materials**
- **ARINETA**
- **Brightsource Energy**
- **CERAGON**
- **General Electric Healthcare**
- **Haifa Chemicals**
- **HP Indigo**
- **Israeli Electricity Company**
- **Israeli Ministry of Environment**
- **ORBIT**
- **Orbit FR**
- **ORMAT**
- **Philips Medical**
- **SANMINA**
- **STRAUSS**
- **ZIM**

## Our Supplier's Fields of Expertise

- **Aerospace & Defence**
- **Optics & Electro Optics, Cameras and Displays**
- **Mechanics & Electro Mechanics**
- **Cooling Systems**
- **RF & Microwave**
- **Gas & Oil Infrastructures and Technologies**
- **Other**

## Main Suppliers Aerospace

- **AERAZUR, France**  
Manufacturers of Flexible Fuel Cells and De Icing Boots
- **AERAZUR, France & PIONEER, USA**  
Parachutes and Safety Equipment
- **Albert Pourteau**  
Aircraft Maintenance Docking Systems
- **ASATI**  
Air Supported structures & Inflatable Domes
- **Bird Bellows , England**  
Large Diameter Metallic Duct Assemblies

## Main Suppliers

### Aerospace

- **BWT, England**  
Flexible and Light Weight Aircraft ESC Ducting
- **Cenco International, Techspace Aero Safran Group, Belgium**  
Jet Engine Test Facilities
- **Creuzet Aeronautics, France**  
Design and Manufacturing of Extrusions, Hot and Cold Sheet Metal Forming Parts, Forgings
- **Dunlop Aircraft Tyres, England**  
Aircraft Tyres
- **EADS – SODERN Division, France**  
Manufacturers of Star/Sun Trackers for Satellite Applications

## Main Suppliers Aerospace

- **ESPEY, USA**  
Power Supply
- **Gramercy Aerospace, USA**  
Manufacturers of Fuel Management Components
- **High Temp, USA**  
Thermal & Acoustics Insulation Solutions
- **HONEYWELL (SECAN), France**  
Manufacturers of Metallic Fuel Cells
- **JPR & LJF, France**  
Design & Manufacturing of Seals

## Main Suppliers Aerospace

- **LIEBHERR Aerospace, Germany**  
Manufacturers of Flight Controls & Landing Gears
- **Lauak, France**  
Built to Print Aerospace Structure Assemblies Metal Parts, Fuel Tanks, Heat Exchangers
- **MEGGITT (VIBROMETER), Switzerland**  
Vibration Sensors, Speed Sensors, Ice Detectors
- **RICA, Italy**  
Flexible Heating Elements for Space and Aviation Industry
- **SERMAT, France**  
Design and Manufacture of Customized Actuators

## Main Suppliers

### Aerospace

- **SIEMENS, France**  
Aircraft Smoke Detection Systems
- **Sirio Panel, Italy**  
Design and Manufacturing of Lighting Panels, Displays, MFD's.
- **TESTEK, USA**  
Customized Test Equipment
- **Thermo Est**  
Resistance Probes
- **Winkelman MSR, Germany**  
Manufacturers of Flow Forming Parts for Landing Gear Actuator Cylinders and Pressure Vessels

## Main Suppliers

### Optics & Electro Optics, Cameras & Displays

- **COHU, USA**  
Off The Shelf Cameras & PTZ, Transportation
- **KOPIN, USA**  
Micro LCD Displays
- **LHERITIER, France**  
Custom Made and Special Cameras
- **NIT, France**  
Wide Dynamic Range Cameras

## Main Suppliers

### Optics & Electro Optics, Cameras & Displays

- **SOFRADIR , France**  
Cooled IDDCA
- **ULIS, France**  
Un-Cooled IR Detectors

## Main Suppliers

### Mechanics & Electro Mechanics

- **FRANKE, Germany**  
Wire Race Bearings and Linear Bearings for Industrial, Military and Medical Imaging applications
- **General Dynamics Global Imaging Technologies (AXSYS), USA**  
Motion Control Devices Brush & Brushless Motors as well as Resolvers
- **GFC Antriebe (Drives), Germany**  
Worm Gears
- **MIJNO, France**  
Custom Gear Solutions

## Main Suppliers

### Mechanics & Electro Mechanics

- **NOLIAC, Denmark and Czech Republic**  
Piezo Electric Elements & Devices
- **SCHLEIFRING, Germany, UK & USA**  
Sliprings (contact & Contactless) for Military, Medical and Airborne Applications

## Main Suppliers

### Cooling Systems

- **CIBRED, Italy**  
Pressurization & Dehydration Equipment and Systems
- **Electro Impulse, USA**  
Manufacturers of Large Cooling Systems for Radars
- **LIEBHERR , France**  
Aircraft & Pod Cooling and Air Conditioning Systems

## Main Suppliers

### RF & Microwave

- **Cobham Antennas , USA & Cobham Sivers, Sweden**  
Rotary Joints, Antennas, RF Cables, Waveguides
- **OMMIC, France**  
MMIC and Micro Electronic for RF Applications

## Main Suppliers

### Gas & Oil Infrastructures and Technologies

- **GWC, USA**  
Valves
- **Lowland International, Netherland**  
Logistics and HR Services
- **PRONAL**  
Flexible Structures such as Pipe Stoppers, Grippers, Tanks, etc

## Main Suppliers

### Other

- **Arcil Danone Group, France**  
Form Fill Seal Machines
- **Herakles Group Safran (SME), France**  
Space Propulsion Systems
