

AMERICAN AVIATION LTD.

אמריקן אויאיישן בע"מ

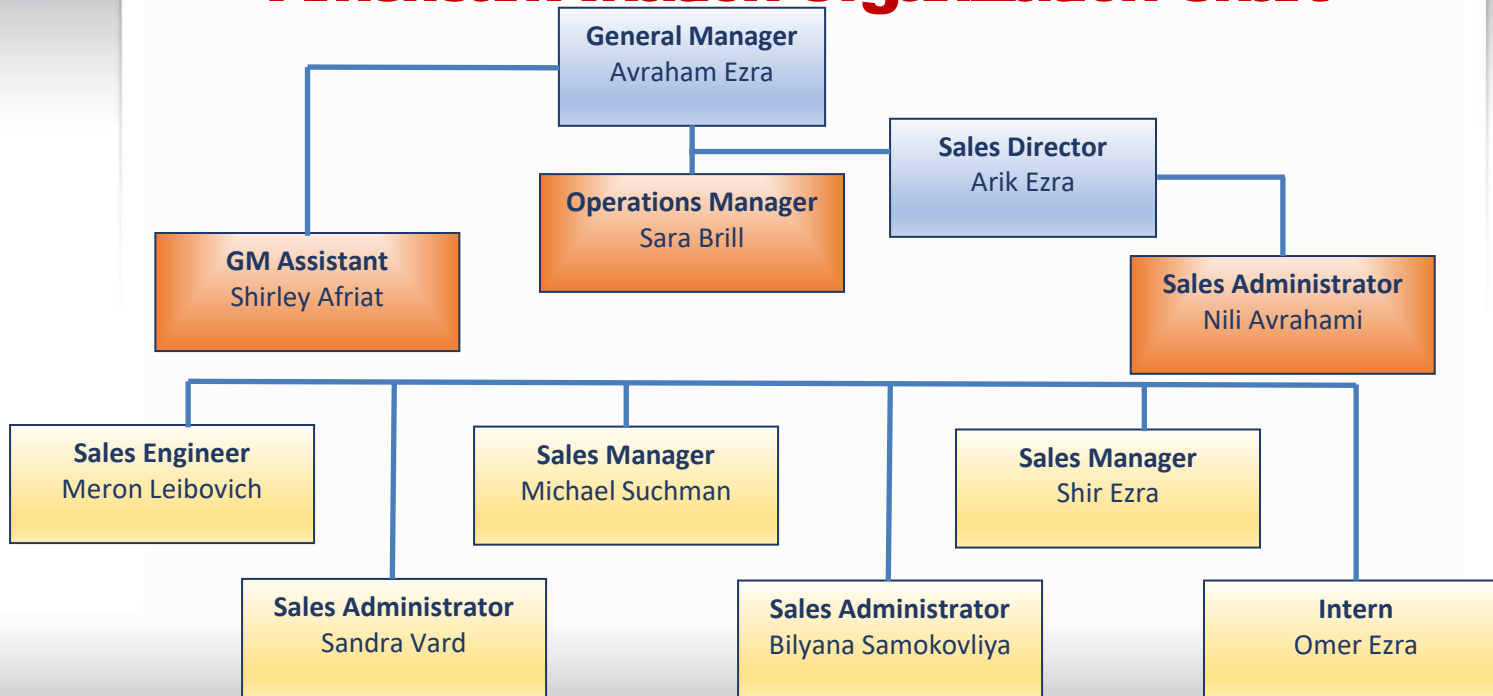

## Company Profile

- **American Aviation was established in 1973 by Mr. Amnon Ezra , and is owned today by Mr. Avraham Ezra and Mr. Arik Ezra.**
- **American Aviation's main activity is representation of original equipment/systems manufacturers (OEM) and Service Providers in Israel**
- **The company employs 11 people, out of them 6 are dedicated to technical sales.**
- **In 1979 we formed a business partnership with CTI France, who specialize in international marketing and sales in France, which allows us to leverage our sales capabilities.**

## American Aviation Organization Chart

## **Company Missions**

- **To give our suppliers an in-depth understanding of the Israeli market.**
- **To be involved, together with our suppliers, in every potential project in both civil and military markets.**
- **To support our suppliers by providing our customers with an uncompromised service by listening to their needs from the outset of a program, escorting them throughout all the development & production stages, and after sales support.**

## **Company Strengths**

- **Our many years of involvement in the Israeli market created liaisons with key personnel within the industry.**
- **Having a team of employees enables us to personally follow all projects to our costumers convenience.**
- **Our diverse professional team is capable of performing an in-depth analysis of potential business and following a project until its completion.**
- **Our multi-disciplinary list of vendors enables us to be involved in nearly every major aspect of the local industry.**

## Main Customers

### Aviation & Defence

- Israeli Aerospace Industries (IAI) and its divisions
- ELBIT
- Israeli MOD
- El-Op (ELBIT Group)
- TADIRAN (ELBIT Group)
- EL-AL
- OPGAL
- TAMAM/MBT
- CONTROP
- ELTA-IAI
- RAFAEL
- ELISRA (ELBIT Group)
- AERONAUTICS
- IMI (ELBIT Group)
- CYCLONE (ELBIT Group)
- BEDEK-IAI
- Tomer

## Main Customers

### Other

- **Applied Materials**
- **ARINETA**
- **Brightsource Energy**
- **CERAGON**
- **General Electric Healthcare**
- **Haifa Chemicals**
- **HP Indigo**
- **Israeli Electricity Company**
- **Israeli Ministry of Environment**
- **ORBIT**
- **Orbit FR**
- **ORMAT**
- **Philips Medical**
- **SANMINA**
- **STRAUSS**
- **ZIM**
- **Mekorot**

## **Our Supplier's Fields of Expertise**

- **Aerospace & Defence**
- **Optics & Electro Optics, Cameras and Displays**
- **Mechanics & Electro Mechanics**
- **Cooling Systems**
- **RF & Microwave**
- **Other**

## **Main Suppliers** Aerospace & Defense

- **ASATI**  
Air Supported structures & Inflatable Domes
- **ECA Group, France**  
Underwater land & air Robotic Systems
- **Senior BWT, England**  
Flexible and Light Weight Aircraft ESC Ducting
- **Safran Test Cells, Belgium & USA**  
Jet Engine Test Facilities
- **EADS – SODERN Division, France**  
Manufacturers of Star/Sun Trackers for Satellite Applications

## **Main Suppliers**

### Aerospace & Defense

- **Gramercy Aerospace, USA**  
Manufacturers of Fuel Management Components
- **High Temp, USA**  
Thermal & Acoustics Insulation Solutions
- **JPR & LJF, France**  
Design & Manufacturing of Seals
- **RTSYS**  
Underwater sonar diving systems

## **Main Suppliers**

### Aerospace & Defense

- **LIEBHERR Aerospace, Germany**  
Manufacturers of Flight Controls & Landing Gears
- **Lauak Group, France**  
Built to Print Aerospace Structure Assemblies Metal Parts, Fuel Tanks, Heat Exchangers
- **MEGGITT (VIBROMETER), Switzerland**  
Vibration Sensors, Speed Sensors, Ice Detectors
- **RICA, Italy**  
Flexible Heating Elements for Space and Aviation Industry
- **SERMAT, France**  
Design and Manufacture of Customized Actuators

## Main Suppliers

### Aerospace & Defense

- **SIEMENS, France**  
Aircraft Smoke Detection Systems
- **Leonardo Commercial Electronics, Italy**  
Design and Manufacturing of Lighting Panels, Displays, MFD's, IFF & Communication equipment
- **Thermo Est**  
Temperature sensors
- **Winkelman MSR, Germany**  
Manufacturers of Flow Forming Parts for Landing Gear Actuator Cylinders and Pressure Vessels
- **RWM, Italy**  
Underwater Pyrotechnic systems

## Main Suppliers

### Optics & Electro Optics, Cameras & Displays

- **COHU, USA**  
PTZ Cameras for transportation & Security
  
- **LYNRED , France**  
Cooled IDDCA & Bolometers (former Sofradir & ULIS)
  
- **Fullscale, France**  
Electrical circuits and camera engines
  
- **Cilas – Ariane Group, France**  
Laser designators
  
- **LHERITIER, France**  
Cameras for Defense & Aerospace

## Main Suppliers

### Optics & Electro Optics, Cameras & Displays

- **Winlight, France**  
optical systems and components
- **Device-Alab, France**  
Infrared cameras
- **KOPIN, USA**  
Micro LCD & OLED Displays
- **Lumibird, Canada**  
Lidars

## Main Suppliers

### Mechanics & ElectroMechanics

- **FRANKE, Germany**  
Wire Race Bearings and Linear Bearings for Industrial, Military and Medical Imaging applications
- **General Dynamics Global Imaging Technologies (AXSYS), USA**  
Motion Control Devices Brush & Brushless Motors as well as Resolvers
- **MIJNO, France**  
Custom Gear Solutions

## **Main Suppliers**

### Mechanics & ElectroMechanics

- **CTS Ceramics (NOLIAC), Denmark and Czech Republic**  
Piezo Electric Elements & Devices
- **SCHLEIFRING, Germany**  
Sliprings (contact & Contactless) for Military, Medical and Airborne Applications

## **Main Suppliers**

### Cooling Systems

- **CIBRED, Italy**  
Pressurization & Dehydration Equipment and Systems
- **Electro Impulse, USA**  
Manufacturers of Large Cooling Systems for Radars
- **LIEBHERR , France**  
Aircraft & Pod Cooling and Air Conditioning Systems

## Main Suppliers

### RF & Microwave

- **Cobham Antennas , USA & Cobham Sivers, Sweden**  
Rotary Joints, Antennas, RF Cables, Waveguides
- **OMMIC, France**  
MMIC and Micro Electronic for RF Applications

## Main Suppliers

### Other

- **Synerlink, France**  
Form Fill Seal Machines
- **Synerlink Iberica, Spain**  
Form Fill Seal Machines
- **Ariane Group, France**  
Space Propulsion Systems
- **Osean, France**  
Underwater port & marine lighting
